

25TH ANNIVERSARY CELEBRATION THANK YOU MESSAGE

Wow, what a wonderful 25th Parish Building and 40th KofC Council 8951 Anniversary celebration!

We were blessed to have his Excellency Bishop Vincent Nguyen celebrate our Saturday mass and attend the Parish Building 25th Anniversary and Knights of Columbus 40th Anniversary celebration dinner along with 130 attendees and special guests. The evening was a huge success full of joy and happiness reflecting on the memories of the parish. As part of the anniversary celebration, the Knights of Columbus presented a \$10,000.00 cheque to Fr. Silva for the Parish maintenance fund.

On Sunday, his Eminence Francis Cardinal Leo celebrated mass and attended the Catholic Women's League social following mass. The gathering was very well attended where all received an opportunity to meet the Cardinal and have pictures taken. The CWL put on a spectacular lunch with lots of yummy treats and cake.

The Knights of Columbus Grand Knight and Catholic Women's League President would like to acknowledge the planning committee who worked hard to organize the weekend anniversary celebrations under the direction and support of Father Silva.

We are looking forward to doing this again at our next anniversary milestone.
